

ReadMe File

Before starting the project:

1. please make sure that you have all the files in the same directory
2. make sure to add the file LoginData.txt written as it is
3. make sure to add rootUser,0000 written as it is to the LoginData.txt file
4. make sure to add the files lectureSearch.txt and studentSearch.txt and keep them empty
5. make sure to compile the serverC.c and instuctors portal with the -lpthread flag
6. make sure to compile the serverC.c first then the instructors portal.

When inside the project:

1. if you want to access the instuctors portal, add an instructor from the admin
